

Initial Contact Approach Script -> Instagram or Whatsapp -> Hi, how are you? Intention: I am an internet sales expert with traffic management skills, and I am selecting some companies for free digital strategy and digital marketing consulting. I will only select three companies here in [CITY NAME], and I have a spot for you on day X, at time Y. Can I speak with the company owner to schedule a time for the free consultation? Possible responses: No response: move on to the next one Already have an agency: do you already do paid traffic? //// I have analyzed the company and its digital presence and noticed a lack of paid traffic campaigns, is there a specific reason for this? Would you be interested in the free consultation? I am sure we can work together and deliver even more for your clients. I will talk to him/her and pass on the contact. So, [Name], I have some areas for improvement that will bring excellent benefits to the company, I will mention 2 now, and on the call, I will present the rest with solutions. Message to the owner: Good morning, Mr. José, [Name] gave me your contact through [WhatsApp or Instagram]. I am an expert in leveraging markets through social media and ads, and your company stood out in my market research. I see that you have great potential to be involved in paid traffic/digital marketing strategies. Additionally, I have found some problems that can be easily solved and will directly impact increasing your profits. Can we schedule a call for me to present these solutions? I am currently offering a free consulting program here in [CITY], and I only have 2 spots left. Can we schedule for day X at time Y? Excellent, Mr. José, I will see you on day X at time Y. I will send the link 5 minutes before the call. Good morning, Mr. José, just confirming our meeting tomorrow at time Y.
